#### **Greetings Church Family and Friends,**

Hope everyone is healthy and preparing to get back to a little bit of “normal” as the COVID restrictions are being lifted. We will continue to be safe, by honoring individual’s preference to wear masks or not; we will continue sanitizing of the building for precautionary measures.

**Memorial Day** (May 30/31) loved-ones are remembered, graduations completed or underway, and the unofficial beginning of the summer season. Life is a series of celebrations, commemorations and events. To our graduates, we will honor you this Sunday May 30<sup>th</sup>, and keep you in our prayers; let God lead you on life’s journey. A word to everyone: Seek God, have faith, do good and show grace; be God’s witness in the world. God gives us the ability of power of the Holy Spirit which Jesus sent to us on the **Day of Pentecost** (the fiftieth day following Passover and Easter- which we celebrated last Sunday May 23<sup>rd</sup>. **(Acts2:1-13)**

*[There will be a Taco and Potato Bar lunch served this Sunday to honor graduates.]*

We are living in the days when the Holy Spirit is at work. On Pentecost, Jesus sent the Holy Spirit to the Church; God’s power is given so that the work that Jesus begun could continue. We continue the same work today with the same Holy Spirit sent from Heaven. The Spirit works in us, so God can be known in the world.

As followers of Jesus, our energy comes from God, Jesus himself and the Holy Spirit, who works in us. The work of God the Father, Jesus the Son, and the Holy Spirit, the *Three in One: The Trinity* working in the Church, the *“body of Christ.”* We are to show Jesus to the world.

It is because of our faith in God’s promises, we can live each day knowing that God wants the best for us. Sometimes we forget this, and think that God has forgotten us; no way! God cares, simply trust in The Lord. It is by trusting God to lead us in life, through the joys and good times, through the pains and sufferings that we face; by trusting, we approach Memorial Day, by commemorating those who have gone be-

fore us; those we have loved, and some we have never known. We attend their graves, decorate them with flowers, flags, and ornaments; it is a way not to forget their impact on our lives: *We remember and honor them!*

June is the month which we as United Methodist’s in the East Ohio Conference hold our Annual conference; again this year virtually. At conference pastors and lay-delegates will log on to hear reports on the business of the Church, and vote on issues that affect us. We remember pastors and delegates with a reading of the names of those who have died since last June with a time of prayer and reflection. Pastors retiring from ministry are honored, and we meet those just beginning ministry with commissioning and ordination services. Clergy who are moving and preparing for new adventures, receive God’s blessing. *(Our lay-delegate again this year is Connie Secrest; and I Pastor Jeff Coggins represent you. You will hear from us at a later date.)*

\*A reminder: things voted on and passed, or voted down, **at Annual Conference, do not** change things for the denomination; denominational changes and decisions for the Global Church, can only be made by **General Conference** which is scheduled for next Aug 29<sup>th</sup> – Sept 6<sup>th</sup>, 2022 in Minneapolis, Minnesota.

**Don’t Forget Father’s Day June 20<sup>th</sup>.** *[also the first day of summer]* This is a day to honor our dads and the men who have been examples to us, showing their love by their hard work each day. *Dads do not always get things right; sometimes they [we] learn along the way.* As children [sons and daughters], we learn life’s lessons and grow; in time, we learn to love our dads thru the hard times of discipline, and the greater lessons of love and forgiveness. God our heavenly Father, loves us, disciplines us, shows us love and forgives us. Jesus gives us the Spirit and teaches us to love and forgive one another; this is the way God’s grace works, and grace makes life complete.

Blessings! Live life in The Spirit

On Memorial Day a national moment of remembrance takes place at 3:00 p.m. local time.

• Memorial Day was first known as Decoration Day when families decorated the graves of soldiers who served in the Civil War. Eventually, the day became a remembrance of all brave military men and women. By 1967, the observance was officially changed to Memorial Day.

We will be continuing to share sermons on facebook (Caldwell UMC OH)  
For those who do not have facebook you can still get the sermon videos at

## D-Day – June 6, 2021

D-Day, observed annually on June 6, brings overwhelming memories of the 156,000 brave men and women who fought a strategically planned and well-executed battle that ultimately led to the end of the Second World War. We look to their legacy and the rich history of events told through museums and memorials. There is not a more important time than today for us to remember and honor them as we reflect on D-Day, June 6, 1944.

## Flag Day – June 14, 2021

It's easy to get so caught up in our day-to-day lives that we sometimes forget to be thankful for the bigger picture. Flag Day reminds us that we are one country — united — despite our disagreements. Celebrating the selection of the first American flag back in 1777, President Wilson signed off on establishing June 14 of each year as Flag Day.

## Summer Solstice – June 20, 2021

**First Day of Summer**

All over the world, one of the most common ways to celebrate Summer Solstice is to spend it outside. Take the family camping, have a cookout with your best friends, make a slip'n slide in the yard for the kids. All of these are surefire ways to take full advantage of the prolonged sunlight. Happy first day of Summer!

Women and children bathe, wash clothes and gather drinking water from a muddy pond, fed by a small stream near Homoine, Mozambique.

Global Ministries reports that more than 750 million people around the world do not have reliable water access and even fewer have access to water for agriculture and household tasks.

More than 2.4 billion people lack sanitation facilities.

The United Methodist Committee on Relief and its parent agency, the Board of Global Ministries, support water and sanitation projects worldwide.

**AFRICA UNIVERSITY**  
 A United Methodist-Related Institution

United Methodists are faithful, generous, and passionate about missional engagement. The depth of the denomination's support for the ministry of Africa University was evident in 2020.

“The dollars invested are vital, but those who give to Africa University are also modeling Christian love and discipleship in action,” said Peter Mageto, the acting vice chancellor of Africa University.

“The leaders who are being nurtured by The United Methodist Church through Africa University share a personal experience of God’s grace that inspires them to be agents of change and vessels of grace wherever they find themselves,” Mageto said.

“The foundation for Africa University is the local church and that’s where we have our faith and trust,” said Salley. “We are thankful for the support of those persons who believe in the work that we do, especially during these challenging times.”

The Southern Hills District gave over \$3000 in honor of Rev. Gail Angel, District Superintendent who is leaving this post the end of June.

#### PRAYER CONCERNS

Those sick and in quarantine, those hospitalized, and our shut-ins; for those we love who are in care centers, assisted living and nursing care. We pray for our Nation, to bring healing, to help us find peace and direction for the days ahead. We pray for Pastor's, Church leaders and congregations as we shine the Light of Christ and the

Love of God, to a world in need. We pray for our school students, teachers and staff .

We remember the inmates and staff at NCI. We pray for special unspoken requests,  
and for each other. In Jesus Name we pray. Amen
